

Bakersfield High School

Drumline

**2004-2005
Sponsor Packet**

February 2005

Dear Friend of the BHS Drumline,

Have you ever seen a Drumline show and taken a second to think of everything that goes on behind the scenes in order to produce it? Primarily, everyone involved with the Drumline, whether it be students, staff, or parents, puts in a large amount of time. However, another factor decides what our Drumline is able to do with the product of our labor: money.

The Bakersfield High School Drumline requires money to pay for instructional staff, entry fees, props and costumes, show design, lodging, and transportation expenses. In reality, none of these costs are cheap, and, despite their immense efforts in traditional (candy sales, etc) and some not-so-traditional fundraising (Harley-Davidson Motorcycle Raffles) our Band Booster program is still not capable of covering all of the expenses associated with running an active Drumline.

This is where you have a part in the BHS Drumline. To meet our estimated expenses of \$25-30,000 for the Indoor Circuit Season, we are looking for community sponsors to give any and every amount. We at the Bakersfield High School Drumline would like to ask you to consider a tax-deductible donation to sponsor the Bakersfield High School Drumline.

We would appreciate it if you would take a couple of minutes to read through this Sponsor Packet and determine how you can help the BHS Drumline.

Sincerely,

The 2005 Bakersfield High School Drumline

Levels of Sponsorship

Tour Sponsor ----- \$1000+

Tour Sponsors take a major part in sending the BHS Drumline on its Indoor Circuit Tour.

They Receive...

- Recognition on the *back* of the BHS Band Trailers
